

# SHAPING NEW MEXICO ONE LEADER AT A TIME.

Over the past eighteen years, Leadership New Mexico has identified and enhanced leadership throughout New Mexico by providing a forum for participants to strengthen their knowledge of challenges and opportunities facing our state. Leadership New Mexico participants and alumni are from diverse ethnic, gender, regional and business backgrounds. With a strong focus on diversity, Leadership New Mexico continues to grow and touch all of New Mexico's communities, large and small. There are nearly 1,200 participants from 75 communities across the state. It is through leadership and focus like DeAnn's and companies like Haverland Carter Lifestyle Group that we create a better future for our great state. Leadership New Mexico celebrates the legacy of Shaping New Mexico, One Leader At A Time. In 1979, four area churches: St. John's Episcopal Cathedral, First Presbyterian, First United Methodist and St. Paul Lutheran, recognized the need for a unique non-denominational retirement community that offered an active, secure and rewarding lifestyle. Through their commitment, a not-for-profit corporation was founded. The name, La Vida Llena – The Full Life – opened in 1983 and has grown in five phases culminating in the opening of Nueva Vista in April 2012.
