Over the past 24 years, Leadership New Mexico has identified and enhanced leadership throughout New Mexico by providing a forum for participants to strengthen their knowledge of challenges and opportunities facing our state. Each year, Leadership New Mexico recognizes two outstanding leaders from around the state at the Leadership New Mexico Annual Dinner. The Distinguished Leadership Award recognizes an individual who has used their leadership abilities to improve the quality of life for New Mexico's citizens and future generations. The Distinguished Alumnus Award recognizes a Leadership New Mexico graduate whose efforts and accomplishments have had a statewide impact. We congratulate and honor Bill and Laura for their efforts to make our state a better place to live and work for all New Mexicans. Dinner tickets and sponsorship opportunities are available at [www.leadershipnm.org/annualdinner](http://www.leadershipnm.org/annualdinner)
